

# The Benefits of Modern Procurement: A Business Perspective

**Internationally recognised procurement expert, Richard May FCIPS (Practice Manager NZ, PMMS Consulting Group), demonstrates why investing in modern procurement capability makes good business sense.**

Richard has a proven track record in helping organisations to achieve outstanding results and implement corporate-wide change programmes focused on developing the procurement process as a key business contributor.

This event has been generously supported by the Wellington Regional Chamber of Commerce and generously sponsored by Starfish Consulting.

**Mark this in your Chief Executive's diary now – you can bring your boss free!**

#### **More about Richard:**

Richard May (BE Chem, Grad Dip Bus. Admin, FCIPS, MIPSHK) is the Practice Manager of PMMS Consulting Group in New Zealand. His corporate experience includes extensive functional and geographical experience in manufacturing, project, technical, business and purchasing & supply chain management.

Richard presents regularly at seminars and conferences and has authored numerous articles on locating, developing and retaining world class supplier performance, outsourcing and developing business-oriented procurement resources. His geographical experience includes living and working in Canada, U.S., Australia, New Zealand and (since 1989) in Hong Kong.
